It Is Not Now Every time That You Hear Some Persons Telling People Different From Themselves What They Think That Their National Status Is Or What Their National Status Ought To Be -There Is A Case Of Some Persons Or It Is Reported That Some People Had Done A Cancellation Of A 'Dual Nationality' Previously Because Of That Those 'Informed' Or 'Uninformed' Try To Tell Them What Their 'National Status' Is Previously Or What They Think That Their National Status Ought To Be. It Is Because Of This Reasons I Feel That I Ought To 'Clear' The 'Air' Over False Information's Or Over A Regular False Statement Made By Some Persons In Our Community

If You Are Born Here In The United Kingdom And You Did A Cancellation Of A Dual Nationality With Another Country Your First Country Would Be Or Is The United Kingdom The Reason Being That You No Longer Have A Relationship With Another Country And You Were Born Here Originally In The United Kingdom – If You Did A Cancellation Of A Dual Nationality Your Red Birth Certificate Would Be Prepared For Renewal Purposes The Law Says That. If You Read And Understand The Law Very Well The Law Says That Such Persons Who Had Done A Cancellation Of A Dual Nationality Have To Re-establish Their Status -This Means That You Should Collect A New Birth Certificate And Passport From Your Local General Registers Office In The Uk And From Any British Passport Agency In Your Area The Reason Being That Without That You Would Be 'Pregnant' I.E. Stationary Cant Move Forwards Or Backwards .

By Preparing Your Birth certificate For Renewal Purposes After An Abortion Or A Cancellation Of A Dual Nationality It Means That Your Abortion Is Successful And If It Is Your First Time Of Doing An 'Abortion 'In A Court Of Law The Law Says That You Are Exempted From Immigration Regulations I.E Cannot Be Questioned Or Investigated On Matters Concerning Your National Status I.E British Citizenship. People Try To 'Circumvent' The Law By Ignoring Or Pretending Not To Know About This But You See The Law Says You Are Exempted If It Is Your First Time Of Doing A Cancellation Of A Dual Nationality There Is No Time Limit For Having A Dual Nationality .If You Break The Law When You Were A 'Dual National' I.E Law And Order Offences You Can Be Taken To Court After Wards As Long As It Has Nothing To Do With Your National Status I.E If You Were Born Here In The Uk And You Are A British Citizen And Have

Established Your Status Currently As Such And Your 'Accusers' Have Enough Circumstantial Evidence To Prove That You Broke The Law When You Had A Dual Nationality

Circumstantial Evidence Is The Evidence Of People At The Scene Of A Crime/Any Crime This May Look 'Easy' But It Is Important That Your 'Accusers' Must Not Be Dishonest Previously Or Would/May Have Committed Crimes Previously As This Would Discredit Your Accusers-make Them Unbelievable If You Were Not Born Here And You Use A 'Gift' Your First Country Would Be The Country You Were Born In At Anytime Because You Were Not Born Here In The United Kingdom If You Have Lived Here For A Long Time And Have Happened With Our Society I.E British Society And You No Longer Feel Comfortable With Your 'Gift' Document Given To You Because Of Your Relationships With Some Persons Or Body In The Uk, Since You Were Originally Born In Another Country You Have To Become The Country You Were Born In Again I.E If You Were Born In Africa You Have To Become

African Again If You Were Born In The Asian Area You Have To Become Asian Again If You Were Born In The Arab World You Have To Become The Country You Were Born In The Arab World However If You Are Satisfied With Your 'Gift', You Would Only Be Able To Work In Certain Areas For Which The 'Gift' Is Meant For Limited Areas And Not 'Exchange' Your 'Particulars' i.e. -'Your Documents' With Anyone Born Here In The United Kingdom No Matter How 'Talented' You May Be Otherwise You Would 'Cheat' The United Kingdom Like That i.e. Be Collecting Or Enjoying The Opportunities You Are Not Entitled To For Only Persons Born Here In The United Kingdom -That Is Also Against The Law. If You Don't Like That At All Then You Have To Do It Correctly Like Applying For 'British Citizenship 'in The Correct Way Because You Want To 'Naturalize' And Become British And Don't Like The Country You Were Born In Any Longer In That Case In Jobs And British Citizenship You Would Be Deputy Director If You Have A Dual Nationality ,While The Persons Who Come From Only One Country i.e Britain Be A

Director In Jobs And British Citizenship; First Rate In The Allocation And Distribution Of Opportunities Instead Of Second Rate For Dual Nationals As Long As You Were Born Here In The United Kingdom Your First Country Would Be The United Kingdom At Anytime. If You Refuse To Exchange Your Nationality With Another Country Your Country Would Be The United Kingdom It Is Specifically Written In The 2014 Immigration Act.

My Girlfriend Does Not Sleep With Only Me Azlan Was Heard Talking To Blaze I Would Think That She Is Kind Of A 'Nymphomaniac' She Cant Seem To Resist Any Goodlooking Man She Just Falls For Them At Her Knees I Hate To Take Her Out On A Trip Because If You Do So It Very Likely That She Leaves You At Your Date And Follows Somebodyelse She Is Always Ready With Excuses And To Add Insult To Injury She Dosent Always Come Back Home Until The Following Morning Most Persons Have Started To Notice That She Is Like That And Have Started To Give Her The 'Nails'she Is Too Much In A Hurry To "Happen With The 'Stalwarts'and Dosent Have A Mind Of Her Own She Is Not Goodlooking Though And I Would Blame It On The Fact That It Is Because Of This She follows Any Man That Catches Her Fancy At Any Time It Is Possible That She May Have Inferiority Complex.
